

PLANET LEADERSHIP INTEREST FORM

PLANET's committees and specialty groups usually meet twice a year, and often schedule conference calls throughout the year. Meetings are held during PLANET's Summer Leadership Meeting and immediately prior to PLANET's Green Industry Conference. If you are interested in being involved in PLANET leadership, please indicate which committees and specialty groups below and fax this form to the PLANET office. Appropriate information will be forwarded to you .

A complete schedule and detailed information on the leadership meetings will be sent out to all committee members in advance of the meeting.

If you have any questions, please contact Membership Manager Gail Rogers at (800) 395-2522. We look forward to your participation!
